TAC Emergency Training & Coordination Committee 2025 Workplan

Steven Hancock
Emergency & Security Manager
shancock@scwa.ca.gov
(707) 292-1195

Background

- Inspired by 2019 Grand Jury Report “Will there be water after an earthquake?”
- Committee established in 2020 to foster improved coordination.
- Initially used for incident information sharing (COVID-19 & LNU Complex)
 - EPA/WARN PODs Support
- Provided EAP Community Based Water Resiliency Workshop (Dec 2022)
- Developed Internal Coordination Standard Operating Procedure (Nov 2024)
- Regular ECC coordination meetings bimonthly

*ECC primary meeting attendee

2025 Workplan

GOALS

1. Increase capacity of water sector Safety Assessment Program certified staff. (Q1)
2. Practice interagency communications and coordination specific to occurrence of unsafe drinking water conditions. (Q2)
3. Conduct a SW Earthquake Impacts Assessment & Resiliency Workshop. (Q3)
4. Develop a SW/Water Contractors Earthquake Response Concept of Operations outlining interagency communications and coordination during seismic events. (Q4)
5. Maintain regular forum of discussion to identify immediate needs or areas for improvement.
