

Sonoma Water Government Affairs Update

March 2025

Federal Affairs

- \$15M Eel Russian Project Authority's federal Bureau funding is still frozen. We are monitoring this situation daily.
- We anticipate either a continuing resolution of federal budget for FY 25/26 in March or a possible government shutdown.
- It is unknown how the impacts of federal staffing reductions and funding freezes will impact the Biological Opinion #2 later this spring. We are monitoring daily.
- Monitoring U.S. Army Corps staffing and funding updates; nothing new to report as of this date.

State

- Monitoring language developing of Proposition 4 implementation.
- Coordinating with Coastal Conservancy on funding to support Eel Russian Project Authority.
